

The Battle Of Jutland

the avalon hill - vftt - the general i what makes a good game? i based on data collected over the past few years i have come to the tentative conclusion that / three elements go into making a "good" game: **the genetic link of the viking "era norse to central asia ...** - 3 provide a background to the eventual emergence of the vikings. most agree that modern scandinavians are descendants of stone age hunter "gatherers."
